

DBcafé License Agreement

This software is distributed in the hope that it will be useful, but WITHOUT ANY WARRANTY; without even the implied warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. See the GNU General Public License for more details. You should have received a copy of the GNU General Public License along with this program. If not, see <<http://www.gnu.org/licenses/>>.

You may use and distribute the software in any way you choose, subject to Oracle's restrictions on the jdbc driver. If you would like to receive updates, or you have any suggestions or bug reports, you are welcome to send them to **mogfitz-at-gmail-dot-com**.

The software is distributed under the GNU license which means that the entire source including the tools used for compilation, version control and deployment, is available on request.

The author asserts that the software, as shipped, contains no malware, spyware or any other undesirable code. It is simply a tool for querying Oracle databases and nothing more.

In no event will the author be held liable for any damages arising from the use of this software. This applies to the original code and to any derived work. Likewise the author shall not be liable for any failure to protect passwords.

The Oracle® jdbc driver included with this software requires that you accept Oracle's licensing terms.

By installing the software you agree to these and Oracle's terms. If you do not agree please do not install or distribute the software.
